President's Message

President Susan Fritz

Temperatures in the mid 70s and then snow three days later. Welcome to March. The important thing about March is that spring is on its way! The days are longer, there is more sunshine, the temperatures are higher, spring sports are starting, and people are buying garden and flower seeds.

After far more COVID-19 in the fall and winter of 2021 than we had anticipated at this time last year, it is encouraging to begin feeling it is safe to resume a greater level of social interaction. As you look through the newsletter, you will find there are several in-person Chi activities and events for you to enjoy over the next several months. I hope you will feel confident and comfortable attending at least some of these events.

I especially encourage you to attend the final Chapter business meeting of the 2020-2022 so you are present to witness the installation and welcome the officers who will lead you during the 2022-2024 biennium. I am excited for the new avenues they will pursue on behalf of Chi.

Best wishes for a happy spring, and I hope to see you in April, if not before.

ANNOUNCEMENTS

By Susan Fritz

- Save a stamp and send your membership dues along with your check for your food for the April 9 business meeting. Membership fees are due by the end of May. Write one check to DKG Chi Chapter to cover both expenses.
- Trivia Night, Thursday, April 28, 2022, at the Lancaster Country Club, 1466 New Holland Pike, Lancaster. Doors open at 6:30 pm, and the game begins at 7:00pm.
- The Necrology Service for the five Sisters who have passed away this biennium will be held as a separate event from 5 to 7 p.m. on May 5. Details are available in the article.
- Convention Treasurer Candace Claar has created an online registration for our State Convention. The link is https://whova.com/portal/registration/dkgps_202206/ You also may go to the PA website, choose 2022 State Convention Information, and click on Registration/Hotel to find both forms. PA State President Eileen Little is requesting that chapter members register online rather than printing the form and mailing it with a check. Registration is a massive job. When the online format is used, all your information immediately drops into the spreadsheet, which saves significant time since Candace does not need to enter your data.
- **NEW** to the online registration is an option for members to join virtually for the First General Session from 8 - 10 a.m., Friday, June 10, and for the Second General Session from 9:45 - 11:15 a.m. on Saturday, June 11. The cost is \$20.00. Recently, the State purchased an OWL, which will allow members to join via a Zoom link. The OWL is excellent at rotating to the speaker's voice so the member is able to hear all discussions. This way members will be part of all the State's business at these General Sessions. **This option is only on the online registration form as we need the member's email in order to send the Zoom links for the meetings.**
- The Leadership Seminar at Penn State in State College taking place on June 9 will have two strands, one for Incoming Chapter Presidents and one for the general membership. There will be morning and afternoon sessions. You may attend either or both sessions with no expense.

FROM THE PROGRAM COMMITTEE

By Andrea Rutledge

Our February program put us at ease as we experienced moments of mindfulness and meditation from our presenter, Amanda Pendleton, inspired by Breath for Change. We practiced yoga poses and unpacked how this may apply to our personal and professional settings. The sunny day was concluded by a celebration of our Founders and Chi's Birthday as we attempted to sing our song virtually!

Our April 9 meeting will be held in-person from 9 to 11:30 a.m. at the Columbia Crossing River Trail Center. The cost is \$15 to attend, which includes brunch items catered by Coffee and Cream, a local café. Our program will be given by our own Chi Sister, Ann Berrios, who will share her research and dissertation—*Social Media Usage and Its Relationship to Self-Esteem among Female Adolescents: A Qualitative Study*. Please see the invitation for more details, and the link to RSVP. Please send checks to Marcia Trach. We are SO excited to see you there!!

TEACHER OF THE YEAR

By Susan Fritz

Did you see the news???

Incoming Chi Chapter President for the 2022-2024 biennium, Sue Allen, was recognized as *Outstanding Teacher of the Year for 2022* by the Pennsylvania Association for Education Communications and Technology, an organization with more than 3000 members across the state. The Pennsylvania Association is an affiliate of the International Society of Technology in Education, a nonprofit that focuses on educational technology. An article about this award, and Sue's work as an Instructional Technology Specialist in the Hempfield School District at the elementary and middle school levels, was featured in the Lancaster Newspaper on Tuesday, February 22, 2022.

Congratulations, Sue! This award is well-deserved, and we are proud of you and your accomplishments.

CHI HISTORICAL RECORDS COMMITTEE

*By Debbie Bridgewater,
Co-Chair*

The seventh Chi Chapter Business meeting was held on February 5, 2022, via Zoom, and "Happy Birthday Chi - Memories of Chi's Founders" was presented by Carol Hartley and Joan Stemen. Carol shared a letter written by Kay Gontner, reflecting on an article she had read, *Defenders of the Wilderness*. Kay spoke of how elephants' culture change has allowed them to adapt and keep their species alive because they are so attentive to teaching the younger generation about what to do in a crisis. Carol and Joan shared Kay's thoughts about her own feelings of honor, and how she has valued what she has learned from so many DKG Chi charter members.

As a committee with a responsibility and desire to continue to honor our charter members and founders, we want to make Kay Gontner's letter available to be read in its entirety in the future. We are also currently discussing other ways to honor and learn from our many charter and non-charter members moving forward. Some ideas include having a monthly "factoid corner" in the newsletter and/or sponsoring a "gratitude writing session" where we could list members' names, and each write a sentence or two of how they are remembered. We are open to many ideas and possibilities to keep our memories alive and continue to learn from each other! We are also looking at the Keystoneian publications for the purpose of highlighting our Chi members who have been involved with DKG at the state level. The committee hopes to meet in person soon, but no date has been set.

Members continue to be invited to prepare their autobiographical page(s) on the Google Form or submit a paper copy to Joan Stemen, Marcia Trach, Carol Hartley or Debbie Bridgewater. Contact information is available in the Chi Directory.

REMEMBERING OUR SISTERS

By Marlene Reynolds,

In keeping with tradition, a necrology program has been planned to honor our sisters of Chi Chapter who have passed away. At this time there are five sisters who will be recognized. They are Ollie Jones, Sara Ruth, Judie Wynn, Carrie Glick, and Kathy Kuzmiak.

This event will be held from 5 to 7 p.m., Thursday, May 12, at the Lancaster Tennis and Yacht Club, located at 2615 Columbia Ave., in Lancaster. Light refreshments will be served. A cash bar will be available. We will have an RSVP in April.

SISTER SPOTLIGHT

By Sue Allen

This sister joined Chi chapter in 2007. Born and raised in Lancaster, her family includes her parents that have been married almost 56 years, two brothers, four nephews, two nieces, a great-niece and a great-nephew. Her favorite get-away spot is the mountains and forest, especially near a body of water like a lake or river. She finds it peaceful to reflect on God's creation. She loves bike riding, hiking, kayaking, taking photos (especially of nature), cooking and baking (trying new recipes for family and friends), making art, volunteering and serving others. She is a Small Group leader for a Singles Group at her church and serves on the Sunshine/Social Committee for her school.

Her first job was as a babysitter. She loves to serve others and to help them feel supported and loved. Being able to share her faith and Jesus' love with others is paramount. She loves to laugh and loves the simple pleasures in life. Exploring new places is also a gift, especially when accompanied by those that are most precious to her. Being a teacher has been a mission field for her in so many ways, and she is continually grateful for the opportunity to impact and share with her students. She received her bachelor's degree in Art Education from Kutztown University and her Master's degree in Studio: Art Education from Messiah College. She is currently teaching 7th and 8th grade art to students at Landisville Middle School, in the Hempfield School District.

This Chi Sister is Amy Smith.

DKG BEYOND CHI

By Barbara Andrews

My story with Delta Kappa Gamma began when I became a principal at Elizabeth R. Martin Elementary School, in the School District of Lancaster, during the fall of 2003. I am deeply indebted to a fabulous teacher by the name of Sandra Brown who I met there. Sandra invited me to a meeting a Millersville University on a cold Saturday morning in February. At the meeting, I met women educators of all ages. I was very impressed with how these women interacted and spoke of education to honor teachers and those in our profession. It was uplifting to hear women promote the spirit of education in their words and in their deeds. I had never encountered a group quite like this in all of my past years of teaching.

DKG BEYOND CHI (CONT.)

When I learned about the seven purposes and heard the words to the Delta Kappa Gamma Song, I knew this was a very special organization. I became a member of the Chi Chapter of DKG in 2006 when Janet Ressler (Joan Stemen's daughter) was president. At that time, meetings were held on Saturday mornings at Millersville University. Real candles, real flowers, red gowns, a pianist, and a flannel graph presentation of the Coat of Arms made initiation a memorable experience for me. After a year of attending meetings, I was asked to chair the grant-in-aid committee. Although I was not sure of what I was getting into, I found this committee to be exciting and fun. I enjoyed working with Chi sisters to choose a recipient from 20 to 25 applicants for our small grant. My adventures with Chi, DKG, and beyond had begun.

As a wife, mother, graduate student and principal 24/7, my life was very full, busy and sometimes chaotic. Chi Chapter was very structured with expectations and procedures which were a welcome blessing to my life. Even as I began to understand bienniums, necrology, world fellowship, nominations, differences between scholarships and grant-in-aid, I came to know many wonderful ladies.

My first experience of DKG Beyond Chi occurred when I decided to attend a state convention. Music has always been a love of mine, so I signed up to sing in the chorus. Practices were at the convention but due to work, I arrived too late for the first one. However, I discovered Gisele and Carol Heintzleman also like to sing with DKG state chorus. It felt good to know someone and again meet new ladies passionate about education.

My experience at state convention turned out to be wonderful. I have enjoyed attending almost every year since then to find restoration and refreshment. From the Album of Distinction on the first evening, to the celebration of life and breakfast on the last morning, the state convention honors women in education. Sometimes it has been difficult to get away from my work and home, but the time at convention has always been worthwhile to me. The workshops, speakers, and fellowship with women educators has given me many special memories. Every convention I meet someone new, learn something new and leave refreshed and renewed. State Convention is an easy way to see DKG Beyond Chi—try it.

After serving as the chair of grant-in-aid for several years, I went on to accept positions in membership, programs and became a president of Chi Chapter. I worked with nominations, necrology, and book club. Each role has provided opportunities to build

DKG BEYOND CHI (CONT.)

relationships with dear sisters. I have found also found opportunities to attend an International Convention in New York City and Northeast Regional Conventions in Portland, Maine and Hershey, PA. I was able to sing in the chorus at these conventions and meet women from around the world. I recall sitting with a group from Japan at International never realizing I would be traveling there in several years with a group of students from School District of Lancaster. Chi Chapter is well represented at the state and international level. I cannot begin to name all those who are involved but I know there are many. I will never forget the excitement and pride I felt at the nomination of Dr. Lyn as our international president. It is also an honor to be a Chi sister of current Alpha Alpha State President Eileen Little. At all levels of DKG Beyond Chi you will find a friendly face.

Also, Beyond Chi are scholarships and grants. In 2010, I applied for a state scholarship and received the Dr. Laura Braun award in the amount of \$3,500. Then I applied for an International Scholarship. I receive the award letter in the mail March 2011. The award was the Dr. M. Margaret Stroh Scholarship. Due to my dissertation being completed at this point, I was unable to accept the \$6000 which would have been awarded to me. My message to you is, don't wait too long to start applying for scholarships. If you are working on a graduate degree, look into the scholarships now. Dr. Stroh was a founder of DKG Alpha Alpha State in 1940. She served as National President from 1942 to 1944 and National Executive Secretary from 1945 to 1956. Dr. Stroh is known for her speech entitled "White Hyacinths". As the daughter of a florist, I connected with the words of this great woman. She stated, "Leadership is waiting in your community. Prestige is there for those who in humility of spirit and understanding of the realities attain it because they have fixed their eyes upon the things that matter. The finger of Destiny points to this organization. White hyacinths are ready to bloom and are yours for the asking."

Spring is coming! Beautiful green sprouts will shoot up from the cold dark earth and develop beautiful, fragrant blooms of white. As you explore DKG Beyond Chi, you do not know what beauty and wonderment may unfold. It begins with the first step. See you at state convention ...
